Tutoring Experience

Throughout my career, I have had the pleasure of tutoring students from a wide variety of academic backgrounds, focusing on IB Biology (SL and HL) and A-Level Biology. My students have consistently achieved strong results, and I've helped them navigate the challenges of international biology curricula, including IGCSE and AP Biology.

My experience extends to working with students preparing for university-level exams and entrance tests like the MCAT. I am committed to helping each student build a solid foundation in biology, ensuring they develop the skills and knowledge needed for their academic and career goals.
