Tutoring Experience

I've spent the last 13 years tutoring English, working with students from IB, A-Level, and GCSE curriculums. My expertise lies in preparing students for their final exams, helping them achieve top grades by focusing on literature analysis and essay writing.

In addition to school-level tutoring, I've also assisted students with their university applications, providing guidance on personal statements and literature-related essays. Many of my students have gone on to study at prestigious universities across Europe.
