Tutoring Experience

I've been tutoring IB History for four years, guiding students from various international backgrounds to success in their academic pursuits. My students have consistently achieved excellent results, including top marks in both IB and IGCSE History, with many moving on to study history at prestigious universities. I focus on making complex historical concepts clear and engaging, ensuring students are fully prepared for exams.

In addition to IB and IGCSE, I've supported students through A-Level History, helping them build a strong foundation and develop critical thinking skills. Through my experience, I've learned how to tailor my lessons to the unique needs of each student, ensuring they feel confident and ready to excel in their studies.
